**DATA PROTECTION, BASIC INFORMATION.**

Based on the principles of openness and loyalty regulated by the General Data Protection Regulation GDPR (EU) 2016/679, it is to inform you that the University of Seville is responsible for the following treatment: "ORGANIZATION AND MANAGEMENT PHD STUDIES". The purpose of this treatment is to support academic, financial and administrative PhD Studies processes at the Third Cycle of University in order to gain competences and skills in the area of scientific research and achieve Doctoral Degree.

The treatment which is necessary as a legal obligation to be fulfilled by the responsible, is also necessary to be fulfilled either as a mission to support the public interest or the practice of the public authority conferred by the responsible; Aside from counting on the express and informed consent, where applicable. According to the aforesaid regulation, you have the right to access, amend and delete your personal data, as well as other rights that concern you of which you may consult with additional more detailed information at the link: <https://sic.us.es/sites/default/files/pd/cidictorado.pdf>

## NOTES

- (1) Include as many members as are required
- (2) Global qualification awarded to the Thesis according to the scale below:

If the Defence is **UNSUCCESSFUL**, it will be qualified as a **FAIL**.

If the Defence is **SUCCESSFUL**, it can be qualified as:

- **PASS**
- **GOOD**
- **EXCELLENT**

The lowest qualification of a successful thesis is Pass, the highest, Excellent.

- (3) If the overall qualification is **Excellent**, by unanimous decision the Tribunal can further decide to award it the mention of **cum laude**.

According to [Section 7 of Article 14 of Royal Decree 99/2011 of January 28th](https://www.boe.es/boe/dias/2011/02/10/pdfs/BOE-A-2011-2541.pdf), (<https://www.boe.es/boe/dias/2011/02/10/pdfs/BOE-A-2011-2541.pdf>) with regard to the awarding of doctorates:

“The tribunal will issue a report and a global qualification granted to the thesis in terms of Pass or Fail. The Tribunal can propose granting the thesis a qualification of *cum laude* if the secret vote held to that effect unanimously decides to do so”.

Seville University's own internal Regulations allow for a wider range of grades. These were published in the [University's Gazeteer on July 30th 2019](http://bous.us.es/2019/BOUS-11-2019/pdf/02Acuerdo6.1.pdf) (<http://bous.us.es/2019/BOUS-11-2019/pdf/02Acuerdo6.1.pdf>), Paragraphs 1 & 2 of Article 89 state:

- 1) “Having concluded the defence and the discussion of the thesis, the Tribunal will decide, in closed session, the global mark to be awarded to the doctoral thesis according to the following scale: *No apto, aprobado, notable* and *sobresaliente*.”
- 2) Each member of the Tribunal will issue a written report on the evaluation of the thesis. Furthermore, there will be a secret vote upon the suitability of awarding the thesis the mention of *cum laude*...”

The table below, which is not binding and is for informative use only, gives a rough approximation of their meaning:

No Apto	Fail
Aprobado	Pass
Notable	Good
Sobresaliente	Excellent
Sobresaliente Cum Laude	Excellent*
